of our business, And one day we sold some hot dogs. He came  
over and told us that we can't sell Snow Cones or hot dogs. He is  
nothing but the sewage person. I asked what right did he have  
telling us anything. In the meantime I called Dave Braun  
the Health Inspector out to see if we could open up a  
Carry out restaurant. But he had stopped by the city  
hall first. And [REDACTED] told him about a lot of  
things that we were selling over here. So Dave Braun  
came he explained to us what we could and could not  
sell. which he had the authority to tell us that. as  
soon as he left the property. Here comes over to

outside again. telling us that we were soon coming out again. All of this happen in August around the 19 until the 20th of the month. In the meantime we needed water to be turned on in our business. my partner [REDACTED] took the deposit to the water place & paid deposit so that our water could be turned on. the young lady behind the water Dept. desk explained that we would have to call the city health official back out. And he would inspect to see if water could be turned on in the building. After he left our place of business he went and talked to [REDACTED]. He told him that it was alright to turn our water on, all day past and he would not turn our water on. we asked him to turn it on, But he would not. The next day I went and asked the lady behind the desk to ask him if he would turn the water on. all that day he would not do it. I finally went to his supervisor which is Donny Mooney the Mayor of Augie and asked him if he would ask this man to turn our water on. He called him. And I suppose by me going to his supervisor that it made him so angry I saw [REDACTED] again. I asked him if he had turned the water on, Because it was not coming through the faucets. He explained that there was a broken pipe in the back yard and the water was gushing out of the pipe. I said to him, well until the owner can get around to seeing about the problem I'll just get my deposit back. [REDACTED]

[REDACTED] Broke out in a rage and told me if I got the deposit money back off the water that he would shut my business down the next day. I didn't talk to him. I went back to his supervisor and told him it'd I'd get my deposit back out.

the owner could look into the water situation. Because it we would have to move out. I went into the water office waiting on the clerk to give me the deposit.

[REDACTED] came in. He asked me if I was waiting for my deposit, I said yes. Then all of a sudden he exploded. He started yelling at me. He caused such a commotion that the policemen from the zoning office came to see what the problem was. He was yelling so, and telling them to arrest me. He told everybody in the office that I had lost my house because I didn't pay the rent. He also said that if I couldn't pay the rent at my house, then I surely couldn't pay the rent at my business. For one thing he was lying I had rented my house to another couple. He was screaming and yelling at me so, that one of the people in the office told him not to speak to me in that manner. But that still didn't stop him. So I left and went outside and one of the officers came out with me. Later that day I went back to my office. He came over. And in front of my customer he started up again. I order him out of my business, and told him not to come back again unless it was a business matter. He kept [REDACTED] harassing our business. Finally I had enough. I went over to the police Dept. Filed a harassment charge against him to keep him out of my store. But still he points, he shakes his head at us. I am fed up with him. I got in touch with the owner Cliff Wise. He came over and

4) Confiscated him with the upmost respect because he is  
white like they are. My question is why couldn't  
as a black woman been treated the same way.  
did & have to go through all the disappearance, all  
the name calling, the slander and the harassment  
I thought that as a party customer should  
have been treated with respect, if you don't know  
what ever happened to Total Customer Satisfaction.
